GENERAL TERMS, CONDITIONS, PENALTIES AND DUE PROCESS

In the interest of all exhibitors, the Indiana State Fair Board, the agriculture industry, and all breeders of livestock, the following general terms, conditions and listing of prohibited activities are presented to maintain, insure and present a wholesome, high quality educational program. As the showcase of Indiana, it is imperative to promote and allow only ethical behavior by exhibitors at the Indiana State Fair.

The Indiana State Fair Board reserves the final and absolute right to interpret any and all terms and conditions, contained in any and all parts of the Handbook/Premium List and to unilaterally settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, connected with, or incidental to the Indiana State Fair. They further reserve the right to resolve unforeseen matters not covered by general or department terms and conditions published in the Handbook/Premium List, to amend or add to these terms and conditions as in its judgement it may determine, and to withdraw all premium offerings in all departments should any emergency exist and circumstances demand.

Fraud, deception, any prohibited activities, or violations of general or departmental terms and conditions, or any activity determined to be improper or unethical by the Board or Fair department director shall not be allowed. Any exhibitor found in violation is subject to sanction and/or disqualification.

1. TAMPERING, ALTERING, AND/OR MISREPRESENTATION relative to any exhibit is prohibited. This prohibited activity includes but is not limited to breeding, age, ownership, and/or method of preparation or completion. (For example, with animal exhibits this includes, but is not limited to, coloring that alters or misrepresents breed characteristics, pumping, and filling).
2. UNETHICAL FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to, drugs, blood, oils, steroids, air, chemical substances) or performance of any surgical or nonsurgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption and is prohibited. Exceptions that are allowed to 1 and 2 above include hoof trimming, dehorning, removal of hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine and coloring or manipulation of normally attached hair that does not alter or misrepresent breed characteristics or the animals configuration or natural conformation.
3. No Exhibitor may take exception to the decisions of an official and/or judge in an unprofessional and/or public manner nor shall any exhibitor or person representing the exhibitor interfere with or show disrespect to any judge or show official.

No person in possession of a deadly weapon shall be permitted onto or be permitted to remain on the Fairgrounds; any person properly licensed to carry a firearm must secure the firearm in a locked compartment of his/her vehicle and it shall not be visible to passersby (Indiana Administrative Code 80-4-4-4).

The Indiana State Fair will not unload animals that are nonambulatory (i.e. downer) or unable to walk off the vehicle under their own power. The exception to this policy will be unloading the animal for euthanizing and disposing of the animal. If an animal becomes nonambulatory after arrival at the Indiana State Fairgrounds then the following policy will be strictly enforced:

1. Any animal that becomes nonambulatory (unable to move under their own power) after arriving at the Indiana State Fairgrounds, the owner shall immediately notify the director in charge of that department.

3. The contracted veterinarian of the Indiana State Fair, the director in charge of the department, the first assistant of the department, the president of the Indiana State Fair Board, the Animal Wellness Committee Chairman and the owner (or representative) will consult each other to come to the best decision for the animal with the emphasis being for the good of the animal. If the animal in question is a 4-H entry, the Director of Extension or their representative will also be involved with this decision. Only the persons that are available need to be involved in the decision. If euthanasia is determined to be the best option, this will be at the owner's expense.
4. Livestock that becomes nonambulatory after arriving at the Indiana State Fairgrounds must be disposed of or removed for treatment within 12 hours of discovering or receiving notice of the animal's condition. If the animal is treatable and the above committee agrees, the owner must remove that animal from the fairgrounds (at the owner's expense) within the 12 hour period.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
